JOHN P. CRONAN, United States District Judge:

The Court has reviewed the session notes provided by Plaintiffs’ counsel in advance of the evidentiary hearing currently scheduled for January 7, 2025. For each student whose eligibility for transportation reimbursement remains at issue, there are several days for which reimbursement is sought but the relevant session notes indicate that the student was “absent” from iBrain for at least part of the day. For each such instance, counsel for Plaintiffs should be prepared to discuss at the upcoming hearing whether reimbursement is appropriate and why. Counsel should also be prepared to address to what extent Sisters Travel and Transportation Services, LLC provided transportation to that student on any such day. In particular, counsel should be prepared to discuss the following days for the following students:

- D.O.
 - December 2, 2022
 - December 5, 2022
 - April 17, 2023
 - April 19, 2023
 - April 20, 2023
